TIMELINE FOR FIRST MORTGAGE LENDERS

We look forward to working with you to help your customers access the First-Generation Homebuyers Community Down Payment Assistance funds. These funds are subject to the same TRID and other lending regulations as a first mortgage. We are following this timeline and request your cooperation in helping to move the process forward for your borrowers.

Application

Borrowers must apply at www.firstgendpa.org Please note: Inquiries to DPA Lenders are NOT allowed. Once reviewed, completed applications are assigned to a DPA Lender. The DPA Lender contacts the borrower to complete the required attestations and releases. Once received, the DPA Lender contacts the Loan Officer who must return the signed Mortgage Underwriter Pre-Approval Attestation form within 10 business days.

Fund Reservation

If the DPA Lender confirms eligibility, funds are reserved, and a Reservation Letter is issued to the borrower and lender. Reservations are valid for 90 calendar days. Borrowers may request a one-time 60 calendar day extension.

If the DPA Lender determines the borrower(s) to be ineligible, the DPA Lender will notify the borrower(s) and First Mortgage Lender of denial.
